Pacific Hardware Co., Ltd., Honolulu, T. H.

DEAR SIR:—The presence of the horn fly pest in my herd of milch cows has been a cause of serious apprehension to me, both on account of the consequent deterioration in the condition of the cattle and the reduced production of milk. I am pleased to inform you that the application of the So-Bos-So Kilfly, which I purchased from you a few days since, has already resulted in a decided improvement in the condition of the cattle, as well as an increase of 20 per cent in the quantity of the milk produced, before the application of the Kilfly. Very truly yours,

PAUL R. ISENBERG.

So-Bos-So
Kilfly

Is a Liquid
Mixture

designed to protect cows and horses from torture of flies. The preparation is positively harmless. It is used with splendid results as a disinfectant and germicide. The Electric Sprayer discharges the So-Bos-So (Kilfly) in a fine, broad spray. From 30 to 50 cows can be sprayed in a few moments. The Electric sprayer is detachable, and thus may be thoroughly cleaned. If your animals are troubled with lice, use So-Bos-So (Kilfly). It knocks them out. Spray your poultry house with So-Bos-So (Kilfly). It kills lice or any vermin that may infect the fowls. Sufferers from the Horn Fly should give Kilfly a trial. We are sole agents for the Territory of Hawaii.

MAY DAY FESTIVAL TONIGHT

The City Improvement Circle of the Kluksa Art League has combined with the schools of Honolulu to make this a most interesting May Day for the young people. Miss Felker, principal of Kaahumanu school, initiated the program and is the author of the plans for the day and the spirit behind them. She is to be assisted by other instructors in the city's schools and by members of the Art League.

The principal event of the day is the entertainment to be given in the opera house this evening. Money derived from this source will be turned into the fund to be used in the acquisition of a park for the children of the city and to stand as a memorial to the late President McKinley. All the schools of the city will participate in this program.

From 9:30 to 11 o'clock this morning the band will play on the grounds of the Capitol for the benefit of the children of the various kindergartens of the city. Tonight at the opera house the program will be as follows:

TERRITORIAL COURTS.

Only One Case Before Them During the Day.

The case of J. A. Magoon and E. M. Magoon vs. Chin Kee Knau and Ang Ton, a bill for reformation and termination of a lease, occupied the attention of Judge Robinson yesterday morning, and was the only matter before any of the Territorial courts during the day. The premises affected consist of the wash house opposite the Methodist church on Bereania street, valued at \$15.00, and the claim is made that rent has not been paid and that insurance has not been kept up as agreed. Magoon appeared for himself; Davis and Brooks for respondents. Mr. Davis wishing to look up some authorities, the case was put over to 10 a. m. this morning.

Charles F. Murray, administrator of the estate of his father, the late T. B. Murray, has filed an inventory in which he gives the value of the estate as \$2500, being a policy in the Provident Savings Life Assurance Association for that amount.

The Mankichi Case.

Attorney General Dole has received the following from Solicitor General Richards in regard to the Mankichi case, which went to the Supreme Court on appeal:

"On Monday last, the 14th instant, the day set for the hearing of the case of the Territory of Hawaii vs. Osaki Mankichi, I submitted the case to the full bench, upon the printed arguments on file, without oral argument. In addition to the briefs and arguments filed by Mr. Davis and yourself, I received and filed a brief on behalf of the government of the United States, a dozen copies of which I have sent you. Please hand Mr. Davis two copies. I submitted the case without oral argument, not only because of the absence of both Mr. Davis and yourself, but because I desired to secure the consideration and decision of all the justices, and Mr. Justice Gray, who was one of the five members who held for the government in the Downes case, has been absent on account of sickness from the bench for sometime, and could not hear an oral argument. I deemed it preferable to submit the case without oral argument to the full bench, rather than to submit it with oral argument to the eight justices who were evenly divided on the vital Constitutional question passed upon in the Insular Tariff cases."

At the Y. W. C. A.

Miss Edith Rogers will sing at the noon song service in the Y. W. C. A. rooms today. The usual Thursday afternoon lecture will be omitted owing to the preparations under way for the May Day festival, in which a number of the Y. W. C. A. ladies are interested. Miss Edith King, the well known artist, will begin a class in pyrography, under the auspices of the Y. W. C. A., providing there is a sufficient number of persons wanting to join to make it worth Miss King's while. It is proposed to have the class meet at 5 o'clock on Tuesday afternoon, and to charge 50 cents an hour for the instruction. This will include instruction both in burnt leather and burnt wood. Owing to the popularity of this sort of art work and the ease with which it can be done, the secretary hopes a number of ladies will avail themselves of the opportunity. Any member of the Association can join the class.

Time and Money—Sickness causes a loss of both time and money. You lose time and have the expense of medical attendance, entailing a double loss. This can be avoided by using some reliable remedy at the first stage of the sickness. The purchase of a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy often proves a profitable investment, for, by its use at the first appearance of any unusual looseness of the bowels, a severe attack of diarrhoea or dysentery may be averted, that might otherwise compel a week's cessation from labor. Every household should have a bottle at hand. It never fails and is pleasant to take. Get it today it may save a life. Benson Smith & Co., Ltd., wholesale agents, sell it.
